W.L.C. ‘How To’

View Your Coursemates

When logging on through MyWLC

1. Log on to your MyWLC account.
2. Select the My Courses tab located under the Quick Links.
3. Select the course for which you wish to view your coursemates/fellow participants.
4. You will automatically be re-directed to your Moodle course page. Click on the Participants tab located under the People section.
5. A list of your coursemates will appear and can be filtered by last access, name, and more!

6. Click on a specific individual to see their personal information.
